Re: I.T.B. #7382/Landfill Services

Dear Council Members;

The Water Maintenance & Service Department recommends awarding the contract for landfill services to the low bidder, National Serv-All Inc.

The Water Maintenance & Service Department is responsible for maintaining and repairing all water mains, services, valves and fire hydrants and for installing new services for the City of Fort Wayne. Material such as concrete, asphalt or dirt may be dug up in order to complete that work, which in turn creates the need to dump such spoil.
